October 2018

Dear NUTSEA Member,

It has been a month already since our NUTSEA Conference in Louisville, Kentucky and I would like to once again thank all of the sponsors and all of the great people that planned and worked so hard to give us all a great conference.

I hope that this letter finds all of you that could not attend, for whatever reason, doing well and all of you that have been affected by the Hurricane on the East Coast recovering and getting some normalcy back into your lives. If you were unable to make the conference due to the hurricane, and needed to cancel your registration, all refunds have now been made. If you did not receive your refund, please contact Donna Cavanaugh at cavanaughnutsea@outlook.com and she will get one processed.

As I am discussing conferences, I would like to remind all of you of the possibility of hosting an upcoming conference. We are currently looking for states to host for the year 2021 and beyond. This is a wonderful opportunity for members to see your beautiful state. If you are interested in hosting, please reach out to one of our Board Members or Donna Cavanaugh.

Your NUTSEA Board met immediately after the conference and is already hard at work planning to provide you, the members, with yet another great conference. We read many suggestions for topics that participants would like to see in the future, please keep in mind that we are limited to the number of these we will be able to provide due to time. We also received some suggestions on topics that are very state specific, which makes it very difficult to find an expert that can speak on the regulations for all states. The NUTSEA Board also discussed our bylaws and operating rules at this closing meeting, we determined at this time we did not feel the need to make any changes.

I would like to thank Jim Ed Burris for his exceptional leadership throughout the last year, it has been a great honor to serve on this Board of Directors with him and all the rest of the Board. I would also like to thank Donna Cavanaugh for all that she does for our Board and the members of the NUTSEA Organization.

It is also that time of year again – Membership renewals. To renew your membership you can either do so on-line or download the membership renewal form and mail it along with a check to the address on the form. If you were voted in this year as a member, please be aware that you must also renew your membership. The \$135 that you paid was your membership application fee, this is your membership renewal fee. If you have any questions regarding membership renewal, please feel free to contact any of our Board Members or Donna Cavanaugh. Also, this year, when you renew your membership you will receive the new password for the Members Only section of the website – be on the lookout when you submit your renewal form. If renewing via mail, Donna will email you with the new password.

We are currently updating the NUTSEA website with information on the 2019 Conference, 2019 Committee Lists, and presentations from the 2018 conference and updated membership list. Please remember that you can post jobs on the NUTSEA website - just contact Donna with the information and she will get it posted.

I will close by telling you all that I am more than honored to be the Chairman of this great organization, and I will do my very best to serve you and this Board throughout the next year. I look forward to seeing you all in September 2019 in Traverse City, Michigan.

Warm regards,

A handwritten signature in black ink that reads "Terry Ebright". The signature is written in a cursive style with a large, prominent "T" and "E".

Terry Ebright
2018 - 2019 NUTSEA Chairman
