June 2019

Dear NUTSEA Member,

Where? **Traverse City Michigan**  
When? **September 15<sup>th</sup> Through The 18<sup>th</sup>**  
What? **[NUTSEA 2019](#)**

By now you should have all received your Save the Date Postcard in the mail for the 2019 NUTSEA, which will be in beautiful Traverse City Michigan. Traverse City is a gorgeous community that sits on the shoreline of Lake Michigan, just north of the city you will find two peninsulas that provide fantastic views along with many wineries to be visited. Downtown just outside the hotel doors you will find many great restaurants, and shops where you can find anything and everything Cherry.

Your Board of Directors and our great Hosts from Cherry Land Electric have worked very hard in putting together another great agenda for the 77<sup>th</sup> annual NUTSEA Conference. This will be a great time of learning, meeting up with old friends, making new friends and networking with many people in our industry.

I would like to thank the members of the NUTSEA Board of Directors and our Hosts Cherry Land Electric for all their hard work in making this event possible. I would also like to thank all of those members that have served on the many NUTSEA Committees for 2019, and last but not least I would like to thank all our sponsors because without their support this would simply not be possible.

In closing I would like to invite all of you to join us in Traverse City, for what should be a GREAT Conference in a wonderful location with fantastic people.

Sincerely,

Warm regards,

Terry Ebright
