RE: National Utility Training & Safety Education Association-  
Request for Sponsorship

DATE: May 2024

The National Utility Training & Safety Education Association (NUTSEA) extends a sincere “THANK YOU” to each sponsor of the Annual NUTSEA Conference for their generous contributions and commitment to the Conference each year. Without sponsors like you, the Conference would not be possible. Whether you are a Platinum, Gold, or Silver Sponsor, your contributions help NUTSEA provide a quality conference for safety professionals and other attendees from the electric utility industry nationwide.

NUTSEA hopes that sponsors who have supported us throughout the years to make the Conference the quality event it is today will continue to do so. We ask companies or individuals who have not been sponsors in the past to consider joining our elite group of sponsors and supporting the Conference at whatever level works best for them. NUTSEA strives to ensure that all its sponsors are recognized and acknowledged throughout the year via our website ([nutsea.org](http://nutsea.org)) and during the Conference through banners, signs, and a special evening reception.

Before I get into the levels of sponsorship, I want to highlight the primary purposes of the NUTSEA organization.

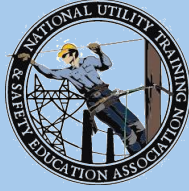

## **National Utility Training & Education Association (NUTSEA):**

The National Utility Training & Safety Education Association (NUTSEA) is an organization comprised of utility safety and training professionals from various backgrounds throughout the United States. Our goal is to provide an environment that will promote the continuous exchange of information, ideas, and job-related experiences among organization members. This goal aims to assist members and interested parties in upgrading their professional competence and improving job training and safety education.

If you have any questions, do not hesitate to call me at (903) 513-2855 or email me at [nutseaassistant@outlook.com](mailto:nutseaassistant@outlook.com).

This packet includes the sponsorship levels and a sponsorship form for registration, or you can register and make payment on our website, [nutsea.org](http://nutsea.org)

Your consideration regarding this request is appreciated.
